New Owners Introduction

It is with great excitement that we wanted to share the news with all of you, your families and employees that we are now the new owners of Heavens Best Carpet and Upholstery Cleaning Franchises.

First and foremost, we want to thank Cody for where he took this Franchise system over the past 30 years. We are certainly indebted to Cody for laying the foundation and creating the type of Franchise system that he and we so strongly believe in. We look forward to taking the company to the next level.

Three of the owners you might have heard of:

Dan Child (California State Owner)

Dan has been with Heavens Best for almost 25 years, is the California State Owner, and also operates a franchise in his hometown of El Dorado Hills, California. Dan has been very instrumental in helping Cody with growth over the past 20+ years by selling a couple hundred Franchises for Cody as the corporate Sales person.

Ron Smith (Florida State Owner)

Ron Smith is the Florida state owner and has been with the Franchise for approximately 25 years. Ron comes from a very strong background in owning multiple large successful businesses in the north east.

Robert Ashcraft (Georgia State Owner)

Robert Ashcraft has been with the franchise for about 18 years as a franchisee and the current state owner of Georgia for 16 years. Robert comes from a background of owning other franchises, businesses and has a background in sales and marketing.
